MEMORANDUM FOR: Deputy Director (Support)

19 OCT 1961

SUBJECT : Establishment of Fund for Recreational and
Morale Purposes

1. This memorandum contains in paragraph 6 a recommendation for the approval of the Deputy Director (Support).

25X1A 2. Development Projects Division has received a request from the Chief of Base, [] (Project IDEALIST) to establish a one-time recreational fund of \$1000 to provide for purchase of items and services deemed necessary to promote and maintain a high state of morale. The request includes lounge chairs, reading and floor lamps for a dayroom, and the cost of repairing and maintaining a pool table.

25X1A 3. The detachment was established ten months ago to provide a joint operating unit with the [] involving the use of IDEALIST equipment. To provide the desired flexibility and to enhance cover it was determined that the personnel should actually live at all times on a [] air base and dependents would not be allowed to accompany or join. The U.S. personnel consist of Agency career and contract employees, USAF detailees, and technical representatives under contract to the Agency. While at [] base, all personnel are under Lockheed Aircraft Corporation cover and, hence, the unit is not eligible for recreational funds that an Air Force unit would normally receive.

25X1A 4. The detachment has set aside a room in the hostel where personnel live and placed in it a borrowed pool table. The table is in need of repairs and the detachment would like to make an agreement with the owners to keep it in a state of usability in return for a long term lease on it, or, failing this, they would like to purchase one. The lamps are required for reading since these would provide the only area of the hostel sufficiently lighted to provide this convenience.

25X1A 5. Under existing arrangements (the hostel and/or [] either cannot or will not assist) it is felt that the expenditure is justified. Sufficient funds exist in the DFD IDEALIST budget to defray the costs.

25X1A 6. It is recommended that the Deputy Director (Support) approve an expenditure not to exceed \$1,000 in FY-1962 to provide
